PLEASE SELECT THE BEST CHOICE RUBRIC FROM KENTS REPERTORY FOR QUESTIONS 9-12.

A 14 year old boy is brought by his parents for treatment of disciplinary problems in school. His teacher reports that he is disrespectful and argumentative and punishments at school have no effect on his behavior. The boy tells you that he wants to be a sniper when he grows up, his reason being "because nobody can see you coming." His parents say that at home he is quiet and stays in his room a lot, listening to music. He does take good care of his dog, whom he considers to be his only friend. "I hate people, but animals, well, we understand each other."
